STATEMENT

**On the extreme terror act against Israeli citizens in Jerusalem
2014-11-18
Seimas
Vilnius**

We strongly condemn the horrible terror attack against Israeli citizens in West Jerusalem synagogue during their morning prayer today. We firmly stand together with Jewish people and their right to be defended and secure and have their peaceful life in their Homeland Eretz Israel.

Specially regretable is the statement of moral support on behalf of Hamas for initiators and implementors of this extreme anti-humane act.

With deep respect and sharing our sympathies,

Emanuelis Zingeris, MP

Chairman
Group for Inter-Parliamentary Relations
with the Knesset of the State of Israel
