

***Baltic FAC Chairs on Taiwan's Elections***

13 January 2024

We, the Chairs of Baltic parliament's Foreign Affairs Committees,

taking into account that our respective systems of governance are founded on a shared commitment to democracy, the rule of law and human rights,

having regard that we are partners bonded by our shared political, economic and international values,

- congratulate Taiwan for once again demonstrating the strength of its robust democratic system, which—coupled with a free market economy and a vibrant civil society—makes it a model for the Indo-Pacific region and a force for good in the world;
- applaud Taiwan's contribution to the security, recovery and reconstruction of Ukraine as well as commitment to maintain cross-Strait stability in the face of unrelenting pressure.
